

## **TO ALL PARTICIPATING TEAMS**

Welcome to the Inaugural FIRST Idaho Regional FRC Robotics Competition!

Here's a few things that we'd like to share with you now. We will be updating this information as things become available or are confirmed.

No outside food will be allowed in the Taco Bell Arena. Food Court restaurants will be open for snacks, drinks and lunch items. Water and light snacks (mind the crumbs, please) will be allowed in the Pits.

We are working with local restaurants to get discount tickets, coupons or deals and will post those here once we have them confirmed. Please let all restaurants and hotels know that you are in town for the FIRST Idaho Regional. They will be more apt to help us out next year once they see what a great group FIRST participants are! You will be helping us, help you.
